

PRIVATE TUTORING FOR PAY

To assure all students reasonable instructional assistance without charge from their own teachers, and to avoid placing a teacher in a position where he/she may have a conflict of interest, teachers will not be permitted to receive money for tutoring any student they have in class or upon whose evaluation or assignments they will be called upon to pass.

Teachers may not tutor any student privately for pay during their regular work hours or on school premises.

Tutoring, paid by the District, may be done by regular staff members during months provided the student is on an IEP and special tutoring is a part of that plan.

Summer tutoring rate will be approved by the Board prior to the Summer work.
