

SMOKING BY STUDENTS

The Board, and the Legislature, recognizing health and safety hazards associated with smoking, prohibits smoking in all public places including the schools or on the school grounds.

Consistent with state law (SDCL 34-46-2 and 14), no student under the age of 18 and while on school property shall be in possession of any tobacco product. Consistent with School Board Policy GBK and Policy KGC, no student age 18 or older may use tobacco while on school property.

E-cigarettes or vapor cigarettes containing nicotine derived from tobacco plants are subject to this policy.
